

UNIVERSITY OF LONDON

AN INTRODUCTION IN BRIEF

Further information about the University of London programme can be found at <https://london.ac.uk>

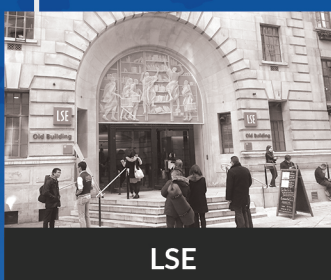

A TRULY WORLD-CLASS INSTITUTION

Established in 1836, University of London is one of UK's largest, oldest and most prestigious universities known to this day. It is a federation of 9 specialist research institutes and 18 renowned colleges that are ranked among the top 100 best universities in the world. In 1858, the University began reaching out to the world by providing first-class British education that has now governed over 52,000 international students across 190 countries, and given rise to 7 Nobel Prize winners, Commonwealth leaders, ministers, scientists, renowned authors, judges and business leaders, etc.
