Enrolment

Step 1: If you want to enrol for your coming exam, select the module and the exam session under **Enrolment Section**.

Enrolment **Exemption**

● — ○ — ○ — ○

Module

Enrolment

Exemptions from the Financial Reporting and Taxation modules of the Singapore CA Qualification are available to graduates from local universities with a Bachelor of Accountancy degree. Please refer to the [ISCA website](#) to check your eligibility. The module exemption fee will apply.

If you are an undergraduate, please be reminded that you must:

1. complete your degree before you are allowed to enroll for the Capstone module;
2. update your qualification details and upload your degree certificate in the SCAQ Candidate Portal upon graduation from your degree course; and
3. be employed by an Accredited Training Organization (ATO) after you have graduated.

Please Check out these 2 dates: [Professional Programme Examination Date](#) & [Foundation Programme Examination Date](#)
